TRIPURA INDUSTRIAL INVESTMENT PROMOTION INCENTIVE SCHEME (TIIPS,2022)

(A scheme of Department of Industries & Commerce, Govt. of Tripura)

1	Capital Investment Subsidy	@ 30% on fixed capital investment subject to a ceiling of Rs.100 Lakhs per enterprise. For thrust sector industries, the rate of subsidy shall be 40% and the ceiling would be Rs. 125 Lakhs per enterprise. For large scale enterprises @30% or 40% on land and building, as the case may be, upper ceiling of fixed capital investment subsidy will be Rs.200 Lakhs. One time Capital investment subsidy for substantial expansion will be provided within the applicable upper ceiling of Rs.100/ 125/ 200 Lakhs as the case may be. 30% Capital Investment subsidy will be provided to Private Infrastructure Developers for creation of industrial infrastructure (where the land area is not below 30 acres) in the State with an upper ceiling of Rs.500 Lakhs.
2	Procurement Preference	@15% on all purchases through tenders by State Government Agencies on products manufactured in Tripura by eligible enterprises. This is subject to the condition that the local unit agrees to supply by matching the price offered by the first lowest bidder. The benefit available is further subject to 20% value addition in the State and certain other conditions. Besides, in case of local units having capacity of partial supply of the tendered quantity/ value, such units may be allowed to participate in bidding/ procurement process for minimum of 40% of the tendered quantity for existing units for 2 years from the date of establishment and for new units up to 3 years of establishment.
3	Industrial Promotion Subsidy	Equal to the net amount (net of input taxes) of the "Goods and Services Tax" actually paid by an enterprise shall be provided subject to an overall ceiling of Rs.80 Lakhs per annum. In case of Thrust Sector Industries, the annual upper ceiling of payment of Industrial Promotion Subsidy shall be Rs.125 Lakhs per enterprise. The aggregating limit of entitlement of an enterprise for 5 years shall not exceed 150% value of investment made in plant and machinery.
4	Power charges	Will be provided to all eligible industrial units with connected load of above 20HP @ Rs.5.00 per unit without any upper ceiling. The industrial units with connected load up to 20 HP will be provided partial reimbursement of power charges @ 25% of power charges actually paid by the enterprise, subject to a maximum amount of Rs. 15.00 Lakhs per enterprise per annum. In case of Thrust Sector Industries, the annual upper ceiling shall be Rs.25 Lakhs per enterprise per annum.
5	Partial Reimbursement of Interest on Term Loans	Actually paid to banks/ financial institutions to the extent of 4% of the interest on term loan availed by the enterprise, subject to an upper ceiling of Rs.5.00 Lakhs per enterprise per annum. In case of thrust sector industries, reimbursement shall be provided @5% with an upper ceiling to Rs.12 Lakhs per enterprise per annum.
6	100% Reimbursement of Standard Certification charges/ fees/ expense	To eligible enterprises shall be paid one-time in full for standard certifications in 12 selected areas issued by National and Inter-national Bodies. This is also applicable for reimbursement of fees/ charges on account of yearly renewal of standard certifications in the areas specified above. In addition, One-time full reimbursement of fees payable for getting Technical Know-how/ Technology Transfer from any recognized national/ international research laboratories/ Technical Institutes/ University, Institutions like DFRL (Defense Food Research Laboratory), CFTRI (Central Food Technology Research Institute), CIPET etc. by eligible unit, shall also be provided under this clause.
7	100% Exemption from the payment of Earnest Money and Bid Security Deposits	To all eligible local enterprises on tenders floated by State Government Agencies. The local service sector entrepreneurs (excluding Works Contract & IT/ITes) eligible for State Capital Investment Subsidy under TIIPIS, 2022 are also eligible to provide this benefit.
8	Employment Cost Subsidy	@100% shall be reimbursed to eligible Micro, Small and Medium Enterprise belonging to the thrust sector on contribution made towards Employee's Provident Fund (EPF) and Employee's State Insurance (ESI) Scheme, subject to employment of 20 or more people skilled and semi-skilled workers who are domicile of the State.
9	Subsidy on fees paid for Credit Guarantee of loans	Shall be paid to micro and small enterprises on loans granted by Banks/ NBFCs.
10	Export Promotion Subsidy	Shall be paid to industrial enterprises on exporting goods through the Land Custom Stations in the State @ 10% on value of export subject to an upper ceiling of Rs. 50 Lakhs per annum. This shall be applicable only for the items manufactured in the State of Tripura, provided an enterprise shall have to achieve at least 20% value addition within the State.
11	Subsidy for participation in fares and exhibitions	Shall be reimbursed to thrust sector industries @ 50% of the expenditure incurred for travelling expenses of one person and transportation of goods subject to an upper ceiling of Rs. 1.00 Lakhs for each participation. This is further subject to maximum 2 participations in a year for a unit. The subsidy shall also be made available for participation in International Level trade/ industry fares & exhibitions with the prior approval/ permission of the appropriate authority.
12	State Transport Subsidy	Shall be reimbursed @ 50% of transportation cost incurred for transportation of secondary raw materials by rail from the railway station nearest to the location of the seller to the Railway Station nearest to the location of the buyer as per Railway Standard Parcel Rate. For materials moving entirely by road or any other mode of transport, reimbursement of the transport cost will be limited to the amount which the industrial unit might have paid as per the Railway Standard Parcel Rate. The State Transport Subsidy shall also be available for transportation of packing materials to be used as raw materials in the manufacturing of packaging materials of the Packaging Industries in the State.
13	Operational Subsidy to industrial units	New eligible industrial units availed fixed capital investment subsidy from any subsidy scheme of State/ Central Government shall be provided all operational subsidies under this new scheme at the applicable rate and upper ceiling of the scheme, subject to obtaining of Incentives Eligibility Certificate under TIIPIS, 2022 from the concerned District Industries Centre (DIC).
14	One-time additional subsidy/ incentive	Shall be provided to MSMEs registered under Udyam portal of MSME and obtained ZED Certification from the Ministry of MSME as per the following break-up: a) Investment made in Plant and Machinery up to Rs.1.00 Cr.: Max. Limit of additional subsidy of Rs.2 Lakhs. b) Investment made in Plant and Machinery from Rs.1.00 Cr to 10 Cr: Max. Limit of additional subsidy of Rs.5.00 Lakhs. c) Investment made in Plant and Machinery above Rs.10.00 Cr.: Max. Limit of additional subsidy of Rs.10 Lakhs.

SPECIAL INCENTIVES TO INDUSTRIAL CONTINUE TO OPERATE FOR 5 YEARS

1. Industrial Promotion Subsidy	Shall be provided to enterprises @ 25% of Goods and Services Tax (net of input tax) actually paid after 5 years of operation with a condition that the aggregating subsidy amount paid since commissioning of the project shall not exceed the 150% of investment in plant and machinery..
2 Power charges	Will be provided to all eligible industrial units with connected load of above 20HP @ Rs.5.00 per unit without any upper ceiling. The industrial units with connected load up to 20 HP shall be provided partial reimbursement of power charges 25% of power charges actually paid by the enterprise, subject to a maximum amount of Rs. 15.00 Lakhs per enterprise per annum. In case of Thrust Sector Industries, the annual upper ceiling shall be Rs.25 Lakhs per enterprise.
3 Employment cost subsidy	Shall be paid to MSME enterprises with employment of 20 or more persons who are domiciled of Tripura @ 50% of employer contribution paid towards EPF and ESI after 5 years of operation.
