TRIPURA IT/ITES POLICY, 2022

Government of Tripura is aiming to make the State a favorable destination for setting up of IT/ITeS unit and IT Park for creation of digital growth of the State as well as the Nation. State Government is envisaged to create an ecosystem for overall digital journey of the State. To attract more investment and to create employment opportunities for large number of graduates of the State in IT/ITeS sector, "Tripura IT/ITeS Policy, 2022" was notified on 21st September, 2022 for a period of 5 years.

Eligibility for Incentives under the Tripura IT/ITeS Policy 2022

- The Tripura IT/ITeS Policy 2022 shall be applicable to all IT/ITeS Enterprises which commence their commercial production/ services in the State, on or after the first day of April 2022, but before 31st March, 2027, for any IT/ITeS Enterprise registered under appropriate Company law/ Act enacted by Govt. of India.
- The unit has gone into commercial production/ services.
- The enterprises issued Incentives Eligibility Certificate shall be liable to submit required documents as may be required by Directorate of Information Technology (DIT), Govt. of Tripura to enable consideration of the claims for incentives under the Tripura IT/ITeS Policy 2022.

- All incentives payable under the Tripura IT/ITeS Policy 2022 shall be paid through the Financial Institution financing the project or in case of self-financed projects, into a bank account; the requisite account and other formal arrangements for which have to be tied up by the entrepreneurs in agreement with the concerned financial institution or bank and intimated to the Directorate of Information Technology, Govt. of Tripura.

- The enterprise applying for incentive under the Tripura IT/ITeS Policy 2022 shall not avail any other incentive from any other scheme operated by Government of India/ State Government.

- The issue of an Incentives Eligibility Certificate in favour of any enterprise shall not entitle the enterprise to claim the release of incentives under the Tripura IT/ITeS Policy 2022 as a matter of right, which shall, inter alia, be subject to the unit having submitted their claims as per the format, the procedure and within timeline mentioned in this scheme to which the claim relates and further subject to the unit being in operation.
